## Web Site Focuses on National Consumer Protection Week

The theme for this year's National Consumer Protection Week, designated Feb. 14 to 20, is Armchair Armors: Shopping Safely from Home. The event highlights consumer protection and education efforts as to knowing who you're dealing with, what you're buying, how to pay safely and who to complain to. Shopping from home offers choice and convenience but consumers need to know the rules and use the tools to protect themselves from fraudulent offers and unsafe products. Shopping from home includes online/e-commerce, telemarketing, mail order, door to door and yard sales and flea markets. Take part in NCPW by checking out the consumer Web site ([www.consumer.gov/ncpw/shopsafe.htm](http://www.consumer.gov/ncpw/shopsafe.htm)) for more information.
